

We will eat him raw!

CLARENCE (*running. Time this so he can leap into Goldie's arms, like a baby, at close; tune: "Hail! Hail! The Gang's All Here"*):
 Help! Help! They're after me,
 If they get any bolder
 I won't get any older!
 Help! Help! Oh, can't you see
 It's the time to help me now?

GOLDIE (*drops Clarence, gets sword; "En garde"; tune: beginning of "Soldier's Chorus" from Faust*):
 Don't try to touch my intended mate!
 Or your black hearts I will ventilate!

BEARS (*stop*):
 She means to do what we heard her say;
 Let's give up the fight
 They might be too tough to eat anyway!

GOLDIE and CLARENCE (*over by door; tune: chorus of "Aloha Oe"*):
 Farewell to thee, farewell to thee,
 We're glad we're never coming back this way.

BEARS (*starting toward them*):
 One last embrace . . .

GOLDIE and CLARENCE:
 You think we're nuts?
 We'll never meet again! (*exunt*)

BEARS (*go into a little victory march; tune: "Yankee Doodle"*):
 We'll bide our time! Another day
 They'll wander in the forest.
 We'll set a plan to catch them then
 To stew them in our porridge.
 We can set the kettle on,
 Let it simmer slowooooooooo,
 Waiting for that lovely day
 When in the pot they gooooooooo

CHORUS (*anxiously, while Bears elaborate their march*):
 Oh, there may come another day
 They wander in the forest.
 The bears will plan to catch them then
 To stew them in their porridge!
 They will set the kettle on,
 Let it simmer slowooooooooo
 Waiting for that gruesome day
 When in the pot they'll gooooooo! (*calling out; tune: refrain of "My Bonnie"*):
 Watch out! Watch out!
 Oh, Clarence and Goldie, watch out, watch out!
 Watch out, watch out!
 Those bears may get you some day!
 (*Finale: Goldie and Clarence return. Entire cast comes stage front*)

ALL CAST (*tune: "Taps"*):
 Au revoir, fare thee well,
 It's the end of our show, we must go.
 Adieu all! Adios,
 And good-by! (*all wave to audience*) ☺
